PROFILE

Motivated and enthusiastic beginner web developer with a passion for creating innovative and user-friendly websites. Committed to expanding my technical knowledge and skills in front-end and back-end web development. Equipped with a solid foundation in HTML, CSS, and JavaScript, along with a strong understanding of responsive design principles. Detail-oriented and collaborative team player, eager to contribute to projects that deliver exceptional user experiences.

EXPERIENCE

PROJECTS

- Developed a responsive website using HTML, CSS, and JavaScript, showcasing my ability to create visually appealing and functional web pages.

- Collaborated with a team to build a basic e-commerce website, gaining experience in working within a development team and understanding project management principles.
